

# LAVENDER RIBBONS

*Because Cancer Hurts Mind, Body & Soul*

Lavender Ribbons is a volunteer organization dedicated to raising funds for cancer support services in Central Ohio. Since its inception in 2003, Lavender Ribbons Annual Premium Wine Tasting event has raised more than \$150,000 for Central Ohio area cancer support services.

This year's proceeds will again be used to purchase materials for newly diagnosed pediatric cancer patients at Nationwide Children's Hospital and to support programs at Ohio Health Bing Cancer Center. With your help we can make the journey through cancer treatment a little easier

You can help us continue our mission by supporting our 15th annual Premium Wine Tasting fundraiser, which will take place Friday, March 2, 2018 at The Boat House @ Confluence Park. The event features a wide variety of premium wines, microbrews and an array of appetizers. Silent and live auctions will highlight the evening's festivities making this an event you won't want to miss.

The following sponsorships are available:

- ❖ Donating an item or service for one of the auctions
- ❖ Purchasing tickets to attend the event (\$85/person or \$150/couple in advance)
- ❖ Making a tax-deductible contribution to Lavender Ribbons, Inc.

In exchange for your support your business/organization will receive the following:

We anticipate that more than 150 people, including business and community leaders, physicians, medical specialists, and volunteers will attend this year's event.

For your convenience, we have included a donation form and a flyer.
